**Forrest Myers Elected
 by Youth Band Directors**

Forrest W. Myers, local insurance man, was elected president of the Torrance Area Youth Bands for the coming year at a special election held Monday evening, October 10 in the committee room of the Chamber of Commerce.

Other officers named to direct the activity of the organization include Dr. Kurt T. Shery, vice president; Graydon Smart, secretary; and Ernest F. Goff, treasurer. Other board members are William E. Bowen, Harold T. Unander, and Mrs. Herbert Holmes. Under the existing by-laws, only parents of band members may become members of the board of directors.

After the election of officers, the board gave a vote of thanks to its outgoing president, E. L. board for three years. Other business discussed after the election included the acceptance of invitations to participate in the Hollywood Santa Claus Lane Parade in Hollywood on Wednesday evening, November 23, and the All-Western Band Review in Long Beach November 26.

GRAND OPENING . . . 1000 orchids will be given away this morning to the first 1000 ladies who attend the grand opening of the Pay-Less Cut Rate Drug Store, 1269 Sartori avenue, this morning. **Change of Zone
 Hearing Slated
 for November 9**

A large section of Torrance considered for rezoning will come before the City Council for a hearing on November 9.

The proposed change of zone is as follows: "From the south easterly corner of Hollywood R. viera north to Pacific Coast highway, thence in an easterly direction along the centerline of said highway to the westerly line of Meadow Park Tract thence north to the center line of Sepulveda boulevard, thence east to the center line of Hawthorne boulevard, thence south to the center line of Lomita boulevard, thence east to the easterly boundary line of Meadow Park Tract, thence south to the north boundary line of the City of Palos Verdes, thence along the south boundary line of the City of Torrance to the point of beginning."

Two official public hearings have been held according to state and local law and the ordinance further requires that an additional hearing be held before the city council.

According to John R. Patrick, secretary of the Planning Commission, the commission has studied the proposed change of zoning and recommends the council concur in the commission's recommendations.

often-heard stars of radio and television will visit the self-service stores during the three-day celebration. On hand will be John Hamilton, actor-director of the Fredrick H. Spear Professional Radio and TV School. A "Man on the Street" broadcast is planned for staging at the new store located at 1629 Sartori avenue. Several popular disc jockeys will also entertain. Among them are Fred Webb, John Fritz, and John Russell. Al Rogo, famous Italian actor will appear during the celebration.

Kessler, who has 35 years experience in the drug business both in the east and in Los Angeles, announced the store would be under the management of William Wren. Omar Swan is to be the display manager, he said.

The store is located in the former Sontag store which has been closed since January of this year.

**Large Throng Hails
 Return of Vaudeville**

Vaudeville critics in the student body at Torrance Elementary School were delighted last week by a special assembly presented by Homer Snow and His Co-Workers. His Co-Workers included Go-Go, the singing clown; Penni, the penguin; and Kelpi, the Sea Lion.

Go-Go sang; Penni walked and wrestled with Go-Go; Kelpi walked on his front flappers—some feat for even a sea lion.
